

METROPOLITAN LOS ANGELES BRANCH
YOUNGER MEMBER FORUM
Friday, March 19th 2010, 5:00-9:00 PM
Bayview Ballroom Marina Del Rey Marriott

Civil Engineering Colleagues:

On behalf of the American Society of Civil Engineers Metropolitan Los Angeles Branch Younger Member Forum (MLAB YMF) I am honored to have the privilege of inviting your place of business to be represented at the 2010 installment of our annual Student Night and Job Fair (SNJF). At this event the most stellar students are spotlighted from all of the Los Angeles area. Over 200 students will be attending from UCLA, USC, CSULA, CSUN, LMU, UCI, Cal Poly Pomona, CSUF, CSULB, as well as other schools in the vicinity. The location this year is the Penthouse Suite at the Marina Del Rey Marriott hotel: 4100 Admiralty Way; Marina Del Rey, California 90292.

In this arduous economy, we turn to the leaders of our profession to provide opportunities and direction to the young. We take great pride in accentuating the talented student membership of the Los Angeles Section. We encourage you to attend the Job Fair because we believe that exposure of your company's strengths will inspire future engineering leaders. Whether you are hiring or not, it is important to the students that your company be present at the largest civil engineering job fair in the state.

We offer three levels of distinguished sponsorship:

Platinum \$750 Sponsorship

- Four (4) complementary banquet meals (additional dinner plates will cost \$50 per representative)
- Two (2) premier banquet tables with your logo, your representatives will be seated with students
- One (1) premier career fair table
- A collection of student resumes from attending schools
- Sponsored gifts to students
- Website advertisement and job postings for one year
- Four (4) parking validations

Gold \$500 Sponsorship

- Two (2) complementary banquet meals (additional dinner plates will cost \$60 per representative)
- One (1) banquet table with your logo, your representatives will be seated with students
- One (1) career fair table
- A collection of student resumes from attending schools
- Website advertisement for one year
- Two (2) parking validations

Silver \$250 Sponsorship

- One (1) career fair table
- A collection of student resumes from attending schools
- One (1) parking validation
- (Optional \$60 dinner plate per representative)

This event is for the students. The true reward for them is not the accolades they receive that evening, but your support and attendance. If you prefer, we also have an option for an individual dinner. A donation of any kind is welcomed and will be noted in the event program. On behalf of MLAB YMF, I look forward to seeing you on Friday, March 19th!

Thank you,

Erik Hoffman
