

FALL 2010 P.E. REVIEW COURSE

Registration is now open for the Fall 2010 PE Review Course. That is correct! Now is the time to advance in your civil engineering profession by obtaining your Professional Engineer's license. Our course is taught by practicing professionals in their respective fields. Our PE Review instructors cover all of the exam's subjects such as Environmental, Geotechnical, Construction, Water, Transportation, Structural, and the specialized topics of Surveying and Seismic.

The PE Review Course is taught at the Los Angeles City Department of Public Works, centrally located in the heart of Los Angeles, meeting twice a week on Monday and Wednesday nights. The Surveying and Seismic courses are offered on three different Saturdays.

Please take note that registration is now open for the Fall 2010 PE Review and the postmark deadline to register is Friday August 6th, 2010. After this date, there will be a late registration fee of \$60. Classes begin August 9th and go on through October 2nd, 2010. The PE Exam is scheduled for Friday October 29th and Saturday October 30th. Sign up to maximize your potential to pass!

There is a discounted rate for those that are ASCE members. If you are not a member, register now and receive the discounted rate for the Fall 2010 PE Review Course. To become an ASCE member, log on to <http://www.asce.org/membership> and register. There are many advantages to becoming a member of ASCE. Take heed of our website (www.mlab-ymf.org) as it contains insight of our tools, resources, events, and news for the well-rounded engineer.

Hone your testing preparation for the PE exam and use this opportunity as a great networking tool by getting involved with the myriad of ASCE MLAB-YMF talent pool.

Share this with co-workers and colleagues.

If you have additional questions, feel free to contact Maria Miranda at mlmiranda3@gmail.com or Omar Sanchez at oasanchez25@yahoo.com.
